FIRE FIT 2 Protective Suit

Protective jacket design

- Comfortable, ergonomically designed protective jacket provides the highest level of protection
- Specially designed sleeves ensure enhanced freedom of movement
- Moisture blocker made from flame-retarding PU-coated aramide fabric on jacket ribbed cuffs and waist, preventing ingress of moisture inside the jacket
- Robust, smooth-running plastic zipper, covered by two flaps
- Flame protection collar can be pulled up to under the helmet
- Individual width adjustment on the sleeves by Velcro strap
- Sleeve ends with comfort NOMEX® knitted cuff and thumb hole for added comfort
- Special workmanship ensures the jacket's layers remain in place when donning and doffing
- Radio pocket on left breast as standard
- With two inside side pockets with strap and push button to attach a carabiner (not in delivery scope)
- 15 x 2.5 cm fleece strip for attaching a name strip above the radio pocket
- Holding loop for PTT or microphone on the left
- Torso with 5 cm and 7.5 cm circumferential yellow/silver/yellow reflective stripes, on the sleeves with 7.5 cm circumferential yellow/silver/yellow reflective strip and on the front side at breast height horizontal with 5 cm yellow/silver/yellow reflective strips
- Back length 85 cm (size 52 - 54 C)

Protective trousers design

- Comfortable, ergonomically designed trousers
- 5 cm wide, fixed suspenders as standard
- Optimum fit is ensured through adjustable elasticated bands on each side
- Fly with zipper and Velcro fastener, covered by flap
- Two sewn-on side pockets, covered with flap; lower edge of the pocket designed with bottom gusset
- 15 x 2.5 cm Velcro section to attach a name badge to the left side pocket
- Moisture blocker made from flame-retardant PU-coated aramide fabric preventing the ingress of moisture
- Additionally equipped with fixed sewn-in knee pad made from water-repellent cellular rubber
- Knee reinforcement made from black flame-retarding silicon-carbon coated para-aramide fabric
- Each leg has circumferential 5 cm and 7.5 cm yellow/silver/yellow reflective stripes

Outer fabric:
NOMEX® Tough
approx. 195 g/m², color dark blue
