

EMEREC Tablet

Getac F110 G4 Premium Fully Rugged

The modern tablet with a robust design suitable for fire fighting operations

In case of an emergency you have to rely on the right hardware. The tablet Getac F110 Premium is designed for challenges in tough environments. Thanks to the dual mode touchscreen, the tablet can be operated by stylus and finger (glove usage supported). The display is easily legible even in sunlight. Two removable, hot-swappable and rechargeable batteries ensure uninterrupted running time. MIL-STD certifications confirm that the F110 is protected against shock, spray water, vibrations, dust and extreme temperature, etc. Thus, the tablet is the perfect companion in fire fighting operations.

And thanks to the new 3-years Bumper-to-Bumper warranty Getac takes care of any defect of your tablet. Regardless of the cause the damage, the tablet is picked up, repaired and returned to you again without costs.
